Agenda

- Role as Agriculture Librarian
- Mullins Library Services and Updates
- Open Resources
- Mullins Library Patron Types and Access (UA Fayetteville)
- Ottenheimer Library Patron Types and Access (UA Little Rock)
- Candid./FDO Overview & Access
- Research Consultations

My Role

- Liaison librarian and subject specialist to Bumpers College students and faculty (all disciplines)
 - Animal Science, Poultry Science, Crop, Soil & Environmental Sciences, Horticulture, Food Science, Human Environmental Sciences, Entomology & Plant Pathology, Agricultural Education, Communication, & Technology
 - Agribusiness and Agricultural Economics
 - Technically under subject purview of Business Librarian (Anna Clymer), but since this discipline is within Bumpers College we share the responsibility as needed

Responsibilities

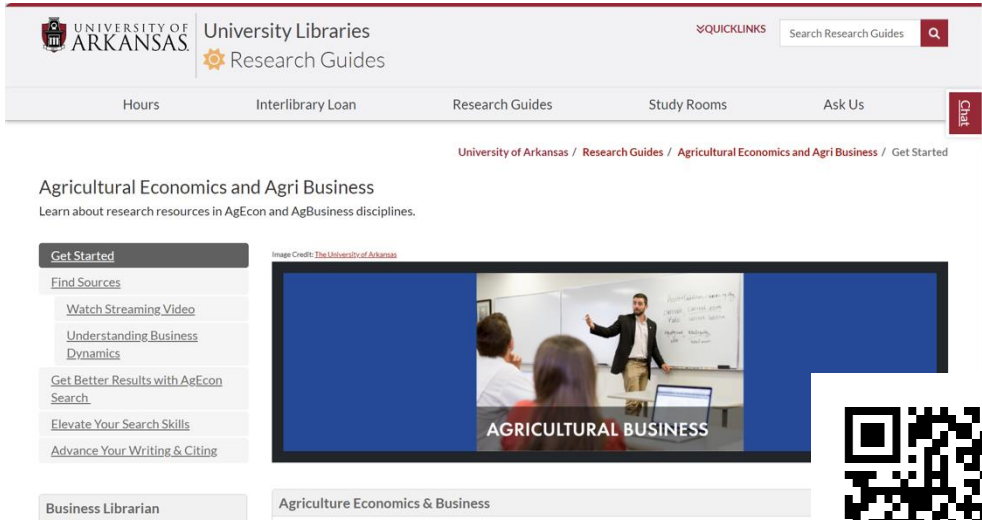

- Library Instruction
- Research Consultations (students, faculty, staff)
- Collection Development (books, journals, databases)
- Ask a Librarian shifts
- Research Guides
- Outreach & Engagement

General Library Services

- Research Guides
- Interlibrary loan
- Ebooks, books, journals
- Special Collections
- Databases
- Computers, Printers, Study rooms

Resources available to all

Research Guides

The screenshot shows the University of Arkansas Research Guides website. At the top, there's a header with the University of Arkansas logo, "University Libraries Research Guides", and a "QUICKLINKS" section with a search bar. Below the header is a navigation bar with links: "Hours", "Interlibrary Loan", "Research Guides", "Study Rooms", and "Ask Us". A "Chat" button is visible on the right. The main content area is titled "Agricultural Economics and Agri Business" and includes a sub-header "Learn about research resources in AgEcon and AgBusiness disciplines." Below this is a "Get Started" section with a list of links: "Find Sources", "Watch Streaming Video", "Understanding Business Dynamics", "Get Better Results with AgEcon Search", "Elevate Your Search Skills", and "Advance Your Writing & Citing". To the right of these links is a large video player showing a man presenting in a classroom, with the text "AGRICULTURAL BUSINESS" overlaid. Below the video player is a "Business Librarian" section and a "Agriculture Economics & Business" section.

Patron Types

Mullins Library - UA (Fayetteville)

Mullins Library - UA (Fayetteville)

Affiliate Resources

- Your uark.edu email account and ID number will entitle you to: borrow print library materials, access electronic resources, sign up for Interlibrary Loan service (ILLiad) to request document delivery and materials from other libraries.

Community Borrower Resources

- Borrowing privileges (check-out print books)
- Interlibrary Loan (ILL) usage
- **No** remote access to online resources due to licensing restrictions

Non-Affiliate Resources (onsite access only)

- Guest WiFi, as well as seating throughout the building
- Access to electronic resources (onsite only)

Interlibrary Loan (ILL) Privileges

- The Interlibrary Loan department will deliver library materials to faculty and staff affiliated with the Division of Agriculture Cooperative Extension and Experiment Stations who are based or live outside a 15-mile radius of the Fayetteville campus.
- Please confirm you have an active library account by logging into [OneSearch](#) or [ILLiad](#). If you need help confirming that you are in the library database of affiliated faculty and staff, you can contact us at 479-575-4104 or send an email to circserv@uark.edu.
- Materials will be mailed unless on-campus pickup is specifically requested. For items that we ship to you, return postage will be provided via email. Send an email to illinfo@uark.edu when you are ready to return the item. At that time, we will email you a pre-paid shipping label. Please indicate whether you would like to schedule a pick-up or drop the item off at a shipping location

Requesting Affiliate Access- Troubleshooting

- You will need to use your uark.edu email account to log into library resources. Most Experiment Station researchers automatically receive a uark.edu account and UARK 9 digit ID number. If you have not received one, contact the central UADA IT department in Little Rock.

UADA IT department Little Rock

- If you need help confirming that you are in the library database of affiliated faculty and staff, you can contact us at 479-575-4104 or send email to circserv@uark.edu.

Requesting Affiliate Access- UADA & CES Researchers

1

[Request Form for UARK Email Account \(UADA & CES\)](#)

To receive library privileges, you will need to request an affiliate account with a uark.edu email address and ID number. Your uark.edu account and ID number will be created. This may take several days.

2

[UARK Account Activation Page](#)

Once you receive information about your uark.edu credentials, activate your uark.edu email by going to the UARK Account Activation Page.

Requesting Affiliate Access- UADA & CES Researchers, continued

3

Academic Affiliate
Privileges Request Form

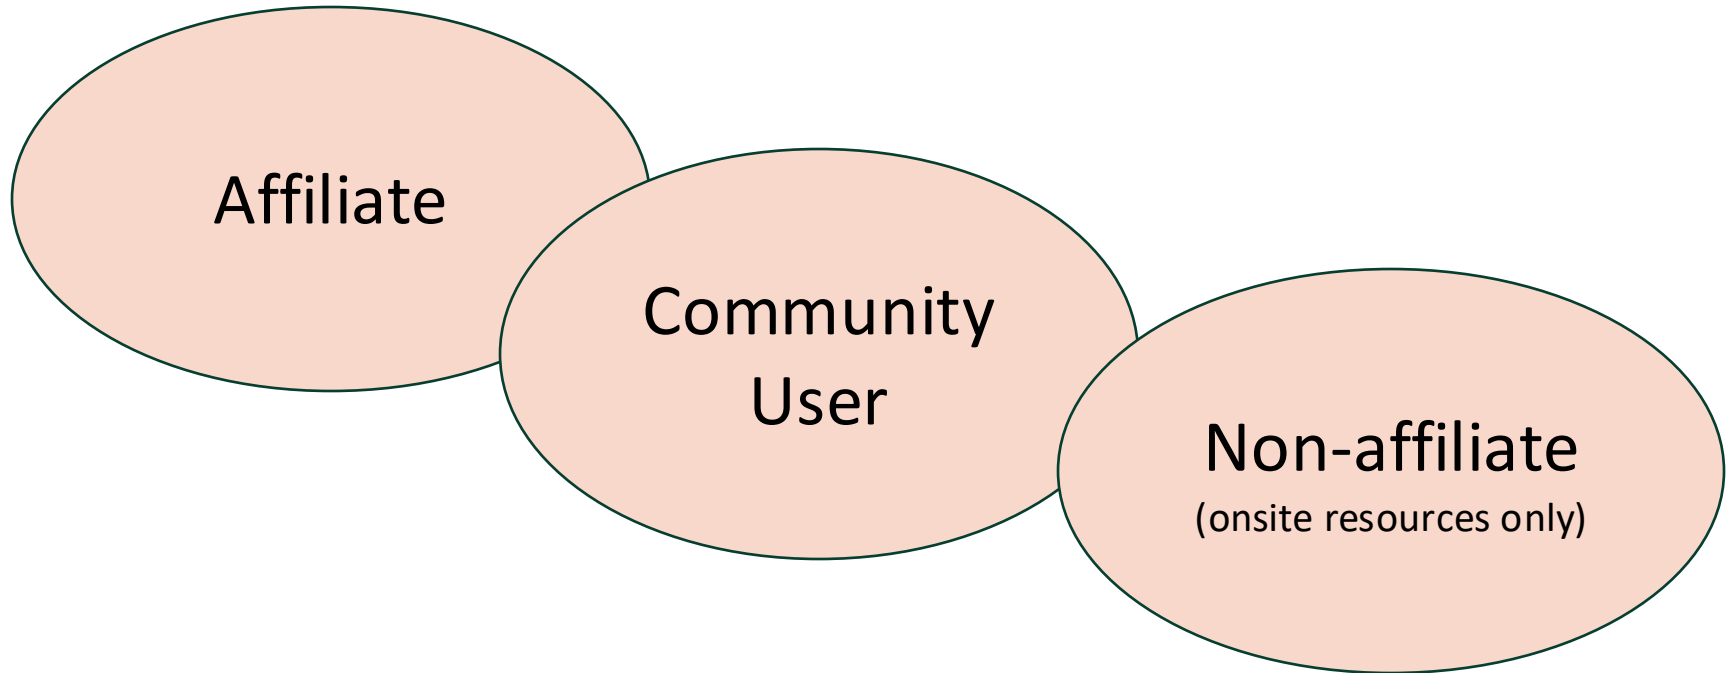

After you have activated your uark.edu email account, please contact us at the library using the Library Academic Affiliate Privileges Request Form. The library will contact you using your uark.edu email address when your account is ready.

Patron Types

Ottenheimer Library – UALR (Little Rock)

Ottenheimer Library – UALR (Little Rock)

Affiliate Resources

- Borrow print library materials, access electronic resources, sign up for ILL
