GROW WITH THE GREEN

The Ross Foundation 4-H Photography Contest provides an opportunity for Arkansas 4-H'ers to demonstrate, compete, and exhibit their photography skills. All 4-H members ages 9-19 are eligible and may enter a unique, original photo into each category. There will be a COUNTY LEVEL contest first. At the county level, each 4-H member may enter two color photographs (one must be in the living category and one must be in the non-living category, if two are entered) and two black-and-white photographs (one must be in the living category and one must be in the non-living category, if two are entered). Four county winners are selected, one in each category – these will be submitted to the state level.

At the state level, each county may enter four photographs. These must be the same winners in the four categories at county level. First, second and third-place winners are selected in each category.

Digital cameras should be set at the highest resolution. The photo may be enhanced to improve quality, and you may change a color image into black and white. Plant life (flowers, trees, bushes) are considered non-living for this contest.

All pictures will need to be emailed to Jamie at jfoster@uaex.edu by April 2nd. If you have any questions please contact the Fulton County Extension Office for more details at 870-895-3301.

Fulton County 4-H Adopt-A-Veteran Program

Would your family like to adopt a local veteran/ widow or widower? Our office is working with Ken Crow, Veterans Service Officer on fulfilling this programs need. During these uncertain times of COVID-19, we know that a lot of people are limited on getting out and about. What better way for us to improve the mental wellness for someone by adopting them!! You can send letters, call them or send them care gifts. The possibilities are endless!!! If you are interested in adopting or have more questions, please feel free to call us at 870-895-3301.

4-H Help-A-Veteran Holiday Drive

During the holiday season 4-H'ers are known for their generous and giving spirit. We are collecting items to give to veterans such as: toiletries, gloves, blankets, socks & etc. Let a veteran know you are thinking of them during this time by dropping off items to the Fulton County Extension Office. 118 West Locust ST., Salem, AR 72576. If you have any questions, please feel free to call us at 870-895-3301.

Tips for Hosting a Virtual 4-H Club Meeting

Zoom is a popular option. With a free account it can be used for meetings 40 minutes or less. Volunteers can sign up for the free version here: <https://zoom.us/>.

It is important to follow 4-H policies and guidelines to keep everyone safe during a virtual club meeting. Always be the last to leave the meeting. This will ensure all youth have signed out of the meeting. Be flexible and understanding. If youth aren't able to participate, there shouldn't be any penalty. Virtual 4-H club meetings cannot be mandatory and cannot count against club attendance. If your club member cannot attend due to limited internet capabilities, you can still reach out to the members with updates and projects you are working on.
