General Livestock Rules

1. All animals are required to be in good health, subject to veterinarian inspection.
2. Animals must be removed from the fairgrounds if requested.
3. Health papers must be presented to barn superintendents before animals are unloaded.
- ~~4. Livestock must be in place by Wednesday at Noon.~~
5. Livestock may be checked out immediately after Livestock Sponsorship awards on Saturday.
6. Failure to comply with check out times will result in forfeiture of cash premiums.
7. In the case of no competition in any class, or where there are fewer exhibits shown in any class than number of premiums offered the judges may at their discretion award a prize or prizes of such grade as the exhibit deserves.
8. Only purebred stock may be shown in male breeding classes of livestock.
9. Exhibitor may only enter 2 entries per class.
10. All owners of livestock, or others in charge, shall care for, guard, protect and preserve the same. The Baxter County Fair Association does not undertake to do so and it shall not be held responsible for any loss or damage to said property to the owners thereof.
- ~~11. Exhibitor must own animal at least 90 days prior to Fair with the exception of: newborns (bottle calves), and market steers (May 15, of current year), market goats (July 1, of current year), market lambs (July 1, of current year), and market hogs (July 1, of current year).~~ Due to COVID-19, there will be no ownership deadlines for exhibits except for: market steers (May 15, of current year), market goats (July 1, of current year), market lambs (July 1, of current year), and market hogs (July 1, of current year).
12. **Livestock stall/tack spaces will be assigned by Baxter County Fairboard.** Please do not pre-mark spaces.
13. Restrict all animals to barn area.
14. Tie out time will be 9:00 p.m. to 8:00 a.m.
15. Exhibitor will supply their own bedding for the livestock.
16. All livestock, including poultry and rabbits, must be owned and raised by exhibitor who is a resident of Baxter County, or an active member of a Baxter County 4-H or FFA chapter.
17. Junior Livestock Sponsorship Awards Presentation checks will be available on or before Oct. 9th. Livestock checks will NOT be available for pickup at the fair office. Check with 4-H or FFA advisor for pickup.
18. The first-place animal in a given class (same breed) in the Junior Division may compete for points and ribbons in the Adult Division, provided there is competition in that class. This applies to beef, swine and dairy.
19. Livestock Entry Fees: Entry fee per animal will be as follows:
Cattle - \$7.00 Goats, Sheep, Lambs, & Hogs - \$4.00
20. Entry fees are payable by September 1.
21. Fitting & Grooming: No hair coloring of any type will be allowed to be used on any exhibit above the flank of the animal. Added hair or other material, natural or man-made (excluding false switches, paints or glues) may not be used in the grooming of any exhibit. Painting of switches, tail heads, and top knots are permissible. Any attempt to change the composition or appearance of any animal in an unnatural manner will result in disqualification.
22. The act of artificially filling animals internally, which would include stomach pumping or any other method per os (by esophagus) is prohibited. Silicone injection or other injections (air) for cosmetic purposes is prohibited. Disqualification may result from these acts for this fair and future fairs.

23. **PENALTIES FOR INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS (IAFE) CODE OF SHOW RING ETHICS VIOLATIONS.** Any exhibitors and all other parties found in violation of IAFE Code of Show Ring Ethics are subject to being prohibited from participating in the Baxter County Fair for that year, and future years.
24. **Swine Flu Affidavit** - All livestock exhibitors must complete and submit a "Exhibitor Affidavit" regarding Swine Flu to the Fair Manager, Paula Bailey. This must be on file PRIOR to placing your exhibits (or by 6:00 pm on Tuesday of the fair).
25. Only 1 animal per exhibitor may be sold at the Livestock Sponsorship Awards Presentation. (If an exhibitor shows more than one species of animal during the fair, he/she must pick only ONE of those animals for the Livestock Sponsorship Awards Presentation.)
26. Areas to park trailers will be marked in the grass.
27. All animals should be removed from the fairgrounds by 6 p.m. or no later than 2 hours after the final class is completed.
28. All current CDC and Arkansas Dept. of Health COVID-19 guidelines at the date of show should be followed by exhibitors, judges, volunteers, and all other attendees. See attached guidelines.

SHOWMANSHIP

Showmanship classes in livestock will include pee-wee (up to age 8), junior (8-13 years), and senior (14-19 years). Age determination will be exhibitor's age as of opening day of fair. All animals must comply with health requirements outlined in individual livestock Divisions below.

Awards presented in the livestock (cattle, goats, and sheep) division will be presented to junior exhibitors for grand champions. Showmanship awards in livestock will be presented to pee-wee, junior and senior exhibitors.

A herdsman trophy and runner-up trophy will be presented to two junior exhibitors in the livestock division.

For cattle, goats, sheep and swine showmanship, exhibitor must own the animal that is shown, except in Pee Wee showmanship.

IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS)

NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the IAFE Code of Show Ring Ethics, fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial, and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do

more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards, and sponsorship proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows.

Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animals health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. This act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer or absolutely responsible person for show management to obtain any specimen of urine, saliva, blood, or other substance from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with said rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of said specimen indicates the presence of forbidden drugs or medication, this shall be prima facie evidence that such substance has been administered to the animal either internally or externally. All procedures of specimen collection, preservation, transfer and analysis by Arkansas Livestock & Poultry Commission are presumed correct and accurate and that the laboratory report correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fairgrounds all treatments involving the use of drugs and/or medications shall be administered by the official Arkansas State Fair Veterinarian for the sole purpose of protecting the health of the animal and only with prior written approval of the Livestock Superintendent.
5. Any surgical procedure or injection of any foreign substance or drug or external application of any substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only, and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices, such as striking animals to cause swelling using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show official before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show

management, or other show officials shall be treated with courtesy, cooperation, and respect. No person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by this code. It is further a consent that an action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

HEALTH REQUIREMENTS FOR LIVESTOCK

All animals entering the grounds must meet the requirements of their particular species. Arkansas livestock (except for Arkansas sheep, goats, horses, steers and rabbits) must be accompanied by a Certificate of Veterinary Inspection issued within 90 days prior to exhibition, showing the following:

Cattle Health Requirements:

1. If Arkansas is a class free state, Arkansas cattle are exempt from brucellosis testing. If Arkansas is not a Class Free State, then the following testing requirements must be met: Negative brucellosis test within ninety (90) days prior to exhibition, for females and bulls eighteen (18) months of age and over. All heifers that have calved or are bred must be tested. Animals originating from a Certified Brucellosis Free Herd are exempt if the Certified Free Herd number is shown on certificate.
2. All heifers that are 4-12 months of age shall be vaccinated before entering show.
3. Heifers that were born on or after January 1, 1986, that are over 12 months of age and are not official calf hood vaccinates will not be allowed to show (unless they are from a Brucellosis Certified Free Herd.) This will not apply if Arkansas continues as a Brucellosis Free State.
4. Cattle with excessive warts will not be allowed on fairgrounds.

Sheep and Goat Health Requirements

1. Fair personnel, veterinarians, or state-federal personnel may examine sheep and goats on grounds.
2. No sheep or goats showing symptoms of disease, particularly foot rot, sore mouth, sheep pox, evidence of fungal infection, evidence of abscesses or with draining abscesses will be allowed to show and may be released by fair officials, veterinarians, or state-federal personnel.
3. Goats showing evidence of any other disease may be removed from fairgrounds.

Swine Health Requirements

1. As of July 1, 2003, all swine must have an official premise identification.
2. Animals 6 months old or older to be tested negative for brucellosis within 90 days of exhibition or originate out of a Validated Herd, with Validation number and date of last herd test shown on certificate (barrows exempt from brucellosis testing, but must be pseudorabies tested.)
3. Animals to be tested negative for pseudorabies within 90 days of the exhibition on a test approved by the State Veterinarian or originate directly out of a Qualified Pseudorabies Free Herd, with Qualified Herd number and date of last test shown on certificate.
4. Free of other contagious, infectious, and communicable diseases (erysipelas, atrophic rhinitis, etc.); otherwise they will not be allowed to show and will be removed from fairgrounds.

Poultry Requirements

1. All in-state poultry, which includes domesticated game birds, quail, pheasants, peafowl, guineas, and turkeys, present at exhibitions in Arkansas shall have originated from U.S. Pullorum-Typhoid Clean or equivalent flocks or have had a negative pullorum-typhoid test within ninety (90) days of the movement to the exhibition (pullorum-typhoid testing

on fairgrounds during the fair is prohibited.) This information will be documented on a NPIP Form VS 9-3, 90 Day Certificate, NPIP Flock Certification Form or similar certificate which will accompany the poultry during exhibition.

2. All non-certified birds must be banded (leg or wing band), with a sealed band. Wrap-around plastic bands are not acceptable. Instate waterfowl are exempt from pullorum-typhoid requirements.

NOTE: All backyard chickens and turkeys must be blood tested. Testing will take place Wednesday of the fair from 11 am to 6 pm at the lot next door to the Fairground Office, 1507 Fairgrounds Drive, prior to entry.

3. Any poultry showing evidence of infectious or contagious disease or insect infestation will not be permitted to exhibit.

Sheep Health Requirements:

1. Sheep will be inspected on grounds.
2. No sheep showing symptoms of disease, particularly foot rot, sore mouth, and sheep pox will be allowed to show.

Horse Health Requirements

1. All horses must be healthy and serviceably sound.
2. A negative Coggins test conducted within 12 months is required for all animals.

IDENTIFICATION REQUIREMENTS FOR SHEEP AND GOATS

All sheep and **all market goats** must have a Scrapie Identification Tag upon arrival on the fairgrounds. All registered goats entered in breed shows must possess a legible tattoo that is recorded on registration certificate and do not require a Scrapie ID Tag. Any registered animal participating in the Market Goat Show must also wear a Scrapie ID tag.

If you need a Scrapie ID call 1-866-USDA-Tag for free tags and tagger.

Any sheep or goat showing clinical symptoms of scrapie shall be immediately quarantined in isolation and required to undergo any approved diagnostic tests and shall be consigned to slaughter or destruction with submission of tissues to an approved diagnostic laboratory at the exhibitor's expense. Commingling (as defined by the Arkansas Scrapie Regulation) of sheep or goats of different flock status as defined by the Voluntary Flock Certification Program (VFCP) is prohibited and must be reported to the VFCP state official and State Veterinarian.

SWINE

Department 1
Superintendent: Carson White

BREEDING SWINE

This show is open to ALL recognized breeds and crossbred gilts.

Class	Points		
	1 st	2 nd	3 rd
1. Junior Spring Gilts, farrowed on or after 3/15 & before 6/1 of current year	18	12	8

EXHIBITOR AFFIDAVIT

As a livestock exhibitor, I understand that I have an obligation to be a responsible exhibitor/producer.

I certify that these animals and/or animals at the herd of origin have not exhibited any signs of illness in the past seven days prior to the exhibition. I also certify that my family and I have not shown any flu-like symptoms in the past seven days.

If my animal(s) get sick during the event, I will notify show officials immediately. I will quickly and quietly remove my animal(s) if the show officials deem necessary.

Exhibitor Name (please print)

City and State (please print)

Baxter County Livestock Show Directive for Exhibitors and Attendees

COVID-19 Entry Precautions & Screening

- All attendees will be screened at the entry gate. All entrants must complete and turn in the Coronavirus Infection Control and Prevention Screening Tool that is attached at the end of this document. Please have this filled out for each person entering prior to coming through the gate.
- Each day, temperatures will be taken for Baxter County Fair livestock show volunteers and staff only, NOT exhibitors, parents, siblings, etc.
- If any of questions 1-4 are answered yes, the person will be excluded from entering the fairgrounds.
- If a person registers a temperature higher than 100.4, staff will take the temperature again after a determined time. If it is higher than 100.4 after a second check, that person will not be allowed to enter the grounds.
- The show is not open to the general public.
- Exhibitors will be limited to a maximum of 3 guests (parents, guardians, siblings, etc.)

Face Coverings

- CDC approved masks/face coverings shall be worn while coming and going from the barn to the trailer.
- Masks will be worn in the show arena and while moving from the stall area to and from the show arena.
- Masks will be worn by ring stewards, judges, announcers, recordkeepers, etc. while in the show arena.
- Masks may be removed while sitting in the exhibitors' respective stall areas.

Entry and Unloading

- All vehicles will enter at the north gate (beside the Casey House, off Wade Ave.).
- Cattle, sheep, and goat exhibitors may park their trailer and lead their animals to the barn. This will be preferred to avoid blocking the drive
- Parking will be available in the grassy area where the carnival usually sets up.
- Hogs will unload on the east side of the barn, next to Arena Dr. If an exhibitor has hogs *and* cattle, they should plan to unload the hogs first, circle around the south side of the barn, and then park and lead their cattle to the barn.

Wash Rack Area

- The cattle wash rack area will be restricted to use by no more than 4 exhibitors at a time.
- The hog wash rack area will be restricted to use by no more than 4 exhibitors at a time.

Parking

- Parking will be allowed in the grassy area where the carnival usually sets up. Please park at least 6' apart and allow room for others to park.

Exit

- After an exhibitor is finished showing for the day, they may load their animals and exit the fairgrounds.
- If swine exhibitors have no cattle to show, they are welcome to leave following the swine show. There will be a lunch break following the swine show. This would be the preferred time to load up and exit.

Stalling Animals

- Stalls will not be assigned.
- Animals of different exhibitors should be stalled with at least a 6' spacing between stalls.
- Hogs should allow for one empty pen between animals of different exhibitors.

Bleachers and Seating Area

- Every other row of bleachers will be blocked off. 6' gaps across rows will be blocked off.
- Family groups may sit together, but 6' spacing should be maintained between groups.

Restrooms

- Restrooms will be open but will be restricted to use by one person at a time.

Baxter County Livestock Show

Coronavirus Infection Control and Prevention Screening Tool

Name _____ Date _____

Telephone Number _____ Cell _____

Have you or anyone in your household have had any of the following:

1. Fever of 100.4 or above within the past 14 days? Yes No

2. Any new onset of cough/shortness of breath/ sore throat, or loss of taste or smell?
 Yes No

3. Have you traveled outside of the USA or out of state in the past 14 days?
 Yes No

4. In the last 14 days, have you had contact with someone with or under investigation for COVID-19? Yes No

5. I agree to keep 6 feet of social distance and follow other Arkansas Department of Health COVID-19 Directives while on the Baxter County fairgrounds.
 Yes No

(If you or your family answers 'yes' to any of questions 1-4, please contact one of the Show staff for further direction.)

I enter this facility at my own risk and agree to hold harmless the Baxter County Livestock Show committee, volunteers, and Baxter County Fair Association.
