CROPS FIELD DAY TOUR FOR WEST CLAY COUNTY

July 11, 2021

To All Involved in Corn, Rice, & Soybean Production:

You are invited to attend the annual West Clay County Field Day Tour which will be held **Thursday, July 29th**. The tour will showcase demonstrations of new corn hybrids, new soybean varieties, rice irrigation and rice variety performance. Extension specialists will be on hand to give production updates. In addition, seed company representatives will provide information about their products in the soybean and corn test plots. There will also be an update from NRCS on their programs.

Participants are asked to meet at the first stop located on County Road 128 near Corning Lake around 9:00 am. The caravan will return to Corning Community Center for lunch.

The tour schedule with speakers and topics are as follows:

- 9:00 a.m. **Furrow Irrigated Rice management and Rice Production Update**
Nathan Woolard Farm County Road 128 (GPS: 36.378730, -90.604714)
