COVID-19

Small and Large Gatherings:

<https://www.cdc.gov/coronavirus/2019-ncov/your-health/gatherings.html>

Small gatherings are informal and may occur with family and friends you regularly socialize with, often at someone's residence. They typically do not involve long distance travel. These social gatherings are more intimate with close friends and family, such as small holiday parties, family dinners, and special celebrations.

Large gatherings bring together many people from multiple households in a private or public space. They are often planned events with a large number of guests and invitations. They sometimes involve lodging, event staff, security, tickets, and long-distance travel. They might be conferences, trade shows, sporting events, festivals, concerts, or large weddings and parties.

Please call us at 870-895-3301 and we will be glad to help anytime.
