## 4-H Newsletter

You can view the newsletter posted on our Facebook page at <https://www.facebook.com/UADA.Fulton/> or our county webpage at <https://www.uaex.uada.edu/counties/fulton/>.

GROW WITH THE GREEN

## 4-H Enrollment Is Open

When re-enrolling, please use your email address and password as you did last year! Please go to [4h.uada.edu](http://4h.uada.edu) and click on Join 4-H. All your information should pull from last year. You will still have to update your family information and each child. Parents, please do not enroll/re-enroll yourselves unless you are wanting to be a leader. As you know, we are always looking for leaders!

## 4-H O-Rama Winners

Zeke O.—Food Fair  
Elijah O. —Vet Science

Eden O.—Public Speaking  
Eden O. —Fashion Revue-Pur.

## 4-H Tuesdays

June 8th—Wildlife Camp

June 15th —Craft Camp

June 22nd—4-H Skills Camp

June 29th—ATV Safety Camp

July 6th—Cooking Camp

July 13th—Outdoor Camp

## HEALTH PAPERS SIGNING & BLEEDING HOGS INFO

Doc Ingram will be at the Fulton County Fairgrounds on July 6<sup>th</sup> from 5 p.m. to 7:00 p.m. to sign health papers & bleed your hogs for Fulton County Fair. All participants will need this completed before livestock shows.

### Fulton County Fair

We are so excited to announce that the Fulton County Fair will be July 26-31. Check out the fair website for more details [www.fultoncountyfair.org](http://www.fultoncountyfair.org).

## ATTENTION: ALL 4-H YOUTH INTENDING TO HAVE A LIVESTOCK PROJECT AT THE FAIR THIS COMING SUMMER!

- \*Notify the Extension Office if you need help finding an animal!
- \*Notify the Extension Office if you get your own animal in order to receive notices of workshops, showmanship clinics, Fair information, deadlines etc. and we will register you for the specific projects.
- \*Call the Extension Office at 895-3301 give us your name, phone number, mailing address and what your project is. Be sure you are enrolled or re-enrolled at Arkansas 4-H online. IT IS NOT TOO LATE YOU CAN STILL ENROLL.

## COVID-19

### How long will I be protected after getting the vaccine?

There is not enough evidence yet to determine how long immunity will last after vaccination. Data from Pfizer's clinical trials show high efficacy for at least six months post-vaccination, both against mild and severe COVID-19. More research is needed to determine how long protection from the vaccine will last. Studies regarding the duration of protection for the Moderna and Janssen vaccines are ongoing.
