## 4-H Needs Candy

Howard County 4-H members are having a booth at the Trunk or Treat scheduled for Thursday, October 27 at the Nashville City Park. They are asking for EHC to help with the candy by bringing a bag of individually wrapped candy to the office or EH Center by Wednesday, October 26.

## Successful Crocktober

The Crocktober event was held on October 11 and by all accounts it was very successful. Four delicious soups were made. Thank you to all who helped make the event run smoothly.

## Semi-Homemade Cooking

Are you expecting a crowd this year for the holiday season? Do you want to have delicious meals without all the fuss? If so, you will want to attend the leader training lesson, “Semi-Homemade Cooking” on Tuesday, October 18 at 10:00 a.m. at the EH Center in Nashville. The program will focus on quick, easy-to-make holiday foods for you and your family using pre-packaged foods for part of a delicious side dish, dessert, breakfast foods and party foods.

All Food, Nutrition and Wellness leaders are encouraged to attend this training. Any member may attend. Please note the date change. The scheduled date is conflicting with District Rally.

## October Board Meeting

The monthly board meeting for October will be held on Tuesday, October 18 at 11:00 following the leader training. Items on the agenda will include:

- Christmas Council Meeting
- Bake Sale
- Plus, much more

Please make plans to attend this meeting to take care of the business of your organization. All council officers and club presidents are encouraged to attend. Anyone may attend. Only voting members will be able to vote.

## Project Books

EHC members do a lot of good work! Why not be recognized for the work you do? Project books are short summaries of the good work your club does to help those in the community. The books are due in the office by October 21. Guidelines and forms are on the website under member resources or at the Extension office. If you need help completing the project book, contact Jean at the office. Wouldn't it be great if Howard County was recognized for all their hard work at the 2023 AEHC Annual Meeting?

## District Rally

*"Making Every Connection Count"* is the theme of this year's Ouachita District EHC Rally scheduled for Tuesday, October 25 in Benton. The group will meet and leave from the EH house at 7:15 a.m.

## Please Save!!

Samantha Horn, Howard County 4-H Agent, needs plastic bottle caps from water bottles or other plastic bottles. Please save them and bring to the board meeting. She is needing them for a project to use in the spring with 4-H members. They can be dropped off at the EH Center or at the office.

## Quilting/Crochet Group Will Meet

October will be the last time the quilting and crochet class will be held for the year. With the holidays right around the corner, the group decided to take a break until the New Year. The group will meet on Friday, October 28 at 9:00 am at the EH Center in Nashville. Bring a project to work on or plan to make a Christmas table runner using Christmas fabric. For more information, contact the office at 870-845-7517.

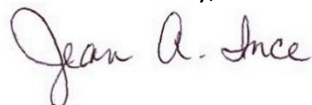

## **EHC Shirts and Nametags**

If you are interested in purchasing a new Extension Homemaker shirt (red or black) or getting a nametag to wear to special events, please let the office know as soon as possible. An order will be made. All orders must be submitted by December 31.

The shirts may be available at the District Rally.
