# 4-H INFORMATION

## **Record Books**

Our office will need your record books December 22nd. The record books are a way the 4-H members show growth and develop in their project areas. Record books are developed as a child works on the projects and develops their skills. There is no right or wrong way in showing growth - the key to show growth is by keeping some records and photos along the way. If your child needs assistance, please reach out to our office.

## **Woodworking Workshop**

A Woodworking Workshop has been scheduled for December 6, 2021. We are looking forward to this event with those 4-H members who signed up. The workshop is scheduled from 3:30 to 5:30 pm.

## **Craft Bags**

Our office staff hopes that you all have enjoyed our craft bag items this year. The office has enjoyed providing those bags to our 4-H members. As the Izard County Fair draws near you will be provided a list of categories to enter your projects into for the fair.

## **Basic Beginning 4-H Sewing Club**

The Sewing Club has begun, and we have finished our first project to enter into the county fair. A huge thank you to all who are actively participating in this workshop. Teaching basic skills and creating projects are the goal of this workshop and I feel this is going well. The December date of the workshop is December 8th at 3:30. Parents are welcome to attend and participate as well. So far, we have a group of Extension Homemaker Club Volunteers who are helping with this project. A special thank you to this group of ladies who are helping.

## **Ross Photography**

Remember this contest will be coming up in the spring. Allow your child to snap some great pictures now through the spring as the state 4-H Ross Photography is always fun to enter. All you and your child will need to do is ensure you have great snapshots - email to the office - and wait and see if they win any prize! Easy as 1, 2 and 3.
