4-H is a fun and educational program where kids "learn by doing." It's a great opportunity for youth to acquire knowledge and skills, and develop healthy lifestyles they can use the rest of their lives. Best of all 4-H is free and reaches more than 134,000 Arkansas youth.

Who Can Join?

Anyone age 5-19 can join 4-H. Although there are several ways to be involved, 4-H clubs offer the most fun and excitement. 4-H clubs are made up of adult volunteers working with a group of young people who want to learn new things, meet new people and have a good time along the way!

To sign up for 4-H go to 4h.uaex.edu and click Join 4-H in the top right corner. If you have any questions contact the County Extension Office at 479-968-7098
