

Yell County Extension Program Survey

Thank you for taking a few minutes to participate in our Yell County Extension program survey. COVID-19 has given us the opportunity to rethink how to address the educational needs of people in Yell County.

By completing this survey you will be providing much-needed feedback to help plan educational programs that address the needs of our communities in the areas of 4-H and youth development, family consumer sciences (FCS), agriculture and natural resources, and community, professional, and economic development (CPED).
