- J. Exhibitors may wear safety headgear (helmet) in any class without judge's discrimination.
- K. All riders are required to wear a properly fitted equestrian headgear with fastened chin harness (ASTM/SEI approved helmets) in all speed events. In classes requiring helmets, the helmet must remain securely fastened on the exhibitor's head the entire time the exhibitor is in the arena. If the helmet falls or is removed prior to the exhibitor leaving the arena, the exhibitor will be disqualified.
- L. Helmets will be required in the Goat Tying classes.

- N. Persons with disabilities who require alternative means of participation in this program should notify the county Extension Office as soon as possible prior to the activity.
- O. Arena ground will be drug after 10 runs unless otherwise deemed by the arena judge.
- P. The judge's decision as to placing is final. An appeal to the 4-H Horse Show Committee is justified only if there appears to be an error in conduct or composition of the class. If doubt persists, the decision of the 4-H Horse Show Committee is final. An official protest must be in writing and accompanied by a \$50 remittance (cash only), by the end of the next scheduled event.
- Q. Abuse or Abusive Equipment:  
The judge or designated show officials have the authority to

require the removal or alteration of any piece of equipment which, in his/their opinion is unsafe, tends to give unfair advantage or is deemed inhumane. Inhumane treatment of a horse identified by the host show committee at any time during the show on any location on the show grounds may result in disqualification, dismissal and suspension from further participation in the horse show, subject to approval of the show committee.

Any horse receiving inhumane treatment while exhibiting may be dismissed upon the discretion of the judge or show official appointed by the show manager(s). The standard by which conduct or treatment will be measured is what the show management committee rules a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be cruel, abusive or inhumane.

- R. Parent and Volunteer Leaders are allowed to briefly warm up horses at beginning of show for safety reasons but are not allowed to ride through any class patterns.
- S. Items that are not specifically covered in this document, the state horse show rules will apply. A copy of these rules may be found at: [www.uaex.uada.edu/horses](http://www.uaex.uada.edu/horses)
