General Information

- All classes will be judged as described in the general rules and regulations of the Arkansas State 4-H Horse Show Rule Book.
- Exhibitors may wear safety headgear (helmet) in any class without judge's discrimination.
- All riders are required to wear a properly fitted equestrian headgear with fastened chin harness (ASTM/SEI approved helmets) in all speed events. In classes requiring helmets, the helmet must remain securely fastened on the exhibitor's head the entire time the exhibitor is in the arena. If the helmet falls or is removed prior to the exhibitor leaving the arena, the exhibitor will be disqualified.
- Helmets will be required in the Goat Tying classes.
- The judge's decision as to placing is final. An appeal to the 4-H Horse Show Committee is justified only if there appears to be an error in conduct or composition of the class. If doubt persists, the decision of the 4-H Horse Show Committee is final. An official protest must be in writing and accompanied by a \$50 remittance (cash only), by the end of the next scheduled event.
- Parent and Volunteer Leaders are allowed to briefly warm up horses at beginning of show for safety reasons but are not allowed to ride through any class patterns.
