

Welcome to the 2025 Arkansas 4-H State Horse Show! We are proud to offer 41 classes this year, along with a full slate of leadership and educational contests. Not only will each class winner receive a trophy buckle, but we are also proud to offer 6 high point awards for high points in the speed, performance, and ranch divisions. I would like to thank the many sponsors, donors, volunteers, and extension faculty that make this show possible. Without their generous help, we certainly would not be able to offer this great experience for our youth. Finally, good luck to all exhibitors and let's have a fantastic show!

THE 4-H HORSE PLEDGE

I pledge:

“My Head to clearer thinking” – Working with animals provides mental relaxation from schoolroom studies and at the same time stimulates quick thinking and alertness

“My Heart to greater loyalty” – The close bond of comradeship that develops between a horse and his master and between young people planning and working together in a common interest is conducive to a deepening sense of loyalty and consideration for others.

“My Hands to larger service” – Skillful hands are a must for a horseman. It is the touch of the hands on the reins which telegraphs the rider's wish to his mount.

“My Health to better living” – Outdoor activities affect every nerve, muscle, and organ of the body in a healthful way.

“For my club, my community, my country, and my world” – The associations and varied activities in 4-H work provide many opportunities for young people to prepare themselves for active participation in the social and economic life of their community.
