Update No. 13

General

For the second straight week all fields received rain. Yell County received the most rain with 2.6” and Chicot County received the least with .5”. The majority of fields are now setting pods. Insect pressure dropped over the past week. Disease pressure remains low. Refer to table below for field specific information.

County	Variety	Stage	General Information
Arkansas	Pioneer P45A40LX	R5	Received .85” rain, irrigated 7/11, Stinkbug numbers crashed from previous week.
Chicot	Asgrow AG46X6	R5	Received .5” rain. Red banded stinkbug population dropped to .5/25.
Cross	Virtue 4520S	R3	Received .51” rain, Late R3, good growth since flooding. Will lose several acres on bottom end.
Drew	Asgrow AG46X0	R5	Received .85” rain, good color and pod set but continues to have slow growth.
Greene	Innvictis B4841E	R3	Received .55”, Continues to have excellent growth, good canopy, early R3.
Jackson	Pioneer P48A14E	R2	Received .51” rain. Loose canopy, remains clean, Second irrigation 7/19.
Jefferson	Pioneer P46A36X	R5	Received 1.15” rain, remains clean.
Lawrence	Stine 46EE20	R5	Received 2.1” rain, 1/25 stinkbugs, third irrigation scheduled for 7/25, looks good.
Lonoke	Asgrow AG46F3	R3	Received 1” rain. Excellent flowering, setting several pods, slow to get to R4.
Mississippi	Becks 4991X2	R5	Received .9” rain, set several new pods over the past week, insect and disease pressure remains low.
Poinsett	Asgrow AG46XF3	V5	Received .8” rain, Excellent growth, large flush of morning glories and Prickly Sida, recommended .125 oz Python + .3 oz First rate.
Randolph	Pioneer P52A14SE	R2	Received 1.9” rain. Heavy storms cause slight lodging, hopefully will stand back up. Insect pressure remains low.
St. Francis	Pioneer 46A20LX	R5	Received .65” rain, 2/25 stinkbugs, next irrigation 7/24.
White	Armor 46-E50	R3	Received 1”, loose canopy, third irrigation scheduled for 7/22. Deer feeding area should canopy in a couple weeks.
Yell	Pioneer P48A14E	R3	Received 2.6” rain, Timely rain, slow to canopy, insect pressure remains low, initial irrigation scheduled for 7/25.
