

**2023 Soybean Research  
Verification Program Weekly  
Update  
September 1, 2023  
By Chad Norton and Chris Elkins.**

**Update No. 19**

**General**

Rain was limited again this week with Lonoke County receiving the most with 1". Two fields received no rain. Several fields are getting close to irrigation termination. Half of the 2023 SRVP fields are now done waiting for harvest or have been harvested. Refer to table below for field specific information.
