Update No. 12

General	By Chad Norton and Chris Elkins. Wheat fields are starting to dry down and get ready for harvest. Late armyworm pressure has been seen in several fields and warranted treatment in Greene. This will be the final report until harvest and yields are reported.		
County	Variety	Feekes Stage	General Information
Ashley	Pioneer 26R41	11.3	Drying down, waiting on harvest.
Greene	Pioneer 26R41	11.2	Armyworms progressed to the point of cutting heads and warranted treatment, Applied Ravage at 1.9oz/acre, will be hard dough soon.
