

Arkansas Rice Research Verification Program Weekly Update

August 11, 2023 – Update No. 16

Division of Agriculture, University of Arkansas System, Cooperative Extension Service

By: Ralph Mazzanti, Verification Coordinator – Rice

General Information

The Jefferson County field is mature and should be harvested late next week weather permitting. Those fields that have moved into the 60% hard dough stage include: Clark, Cross, Pulaski, White and Woodruff Counties. Drew County has reached threshold level for stink bugs and an insecticide application is scheduled. False smut is showing up in Cross and Woodruff Counties.
