

Arkansas Rice Research Verification Program Weekly Update April 26, 2024 – Update No. 3

Division of Agriculture, University of Arkansas System, Cooperative Extension Service

By: Ralph Mazzanti, Verification Coordinator – Rice

General Information

Five fields that have emerged to the 1-leaf stage include: Cross, Jefferson, Lonoke, White and Woodruff Counties. Stand counts have been good and we have DD-50's for emerged fields. The Mississippi County (FIR) field has been drill-seeded yet not emerged. The remaining three fields have not dried out enough for planting. More rain is in the forecast.
