

"I SPY" ALPHABET BOTTLE

MATERIALS

- A clear plastic bottle
- ~ 2 cups of rice
- Alphabet beads
- Label of letters to look for
- Tape / glue
- Funnel

STEP 1

Sort the alphabet letters so you have two complete sets.

STEP 2

Use a funnel and fill the bottle 1/4 full with rice. Drop several of the beads inside.

STEP 3

Repeat till the bottle is 3/4 full and all the beads are inside. Shake to further distribute beads.

STEP 4

Seal the lid on by putting a thin ring of glue around the inside of the lid, or tape the outside.

STEP 5

Make a label that lists all the letters so kids can play "I SPY" with the beads inside.
