PLAYDOUGH

task cards

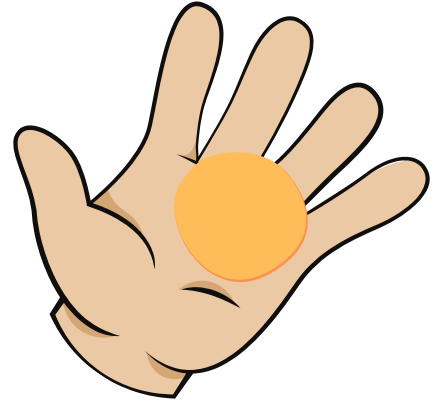

Print, cut, and laminate these cards for your students to 'draw' from a box what prompt they will create with their playdough.

This can add a new way to create with playdough and work on different skills!

I can roll a small ball.

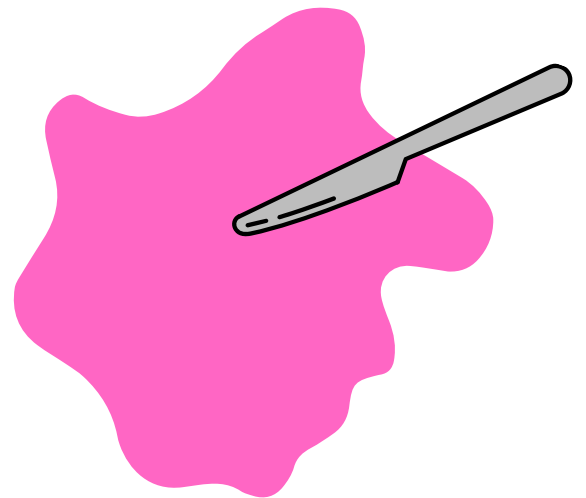

I can roll a large ball.

I can roll a snake.

I can cut the dough with a knife.

I can knead the dough.

I can flatten the dough with my hands.

I can flatten the dough with a rolling pin.

I can twist the dough.
