

Rain Cloud in a Jar

Materials:

- Clear mason jar
- Water
- Shaving cream
- Blue food coloring

Instructions:

1. Fill the jar with water. (air)
2. Add a thin layer of shaving cream. (clouds - water vapor)
3. Place drop of blue food coloring on top of the shaving cream. Spread the drops out, towards the edges of the jar.
4. Wait for the "rain" to fall!
