

Rain Cloud in a Jar

Materials:

- Clear mason jar
- Water
- Shaving creamBlue food coloring

Instructions:

- 1. Fill the jar with water. (air)
- 2. Add a thin layer of shaving cream. (clouds water vapor)
- 3. Place drop of blue food coloring on top of the shaving cream. Spread the drops out, towards the edges of the jar.
- 4. Wait for the "rain" to fall!
