

Popsicle Tree

Supplies needed:

- Green cardstock
- Popsicle sticks
- Glue
- Scissors
- Pom Poms

#1: Glue two popsicle sticks together.

#2: Cut three circular triangles from the cardstock.

#3: Glue the triangles to the popsicle stick. You will want to glue the very bottom triangle to the sticks first, then work upwards.

#4: Glue to pom poms to the tree! Now you have a festive tree! Optional: stickers!
