

WINTER CAP CRAFT

Supplies needed:
Cardstock (for hat pattern),
white crayon, paper towel,
scissors, water-color paint,
paint brush, cup for water,
pom-pom

With the white crayon,
draw patterns on the
printed cap.

Place paper towel under
the paper and paint the
cap. Watercolor paint is
essential for this.

Glue pom-pom to the top
of the hat. Wait for the
project to dry to cut it out.

Tada! See the creativity
that was made!
