

ART WITH MATH

COLLECT OLD NEWSPAPERS AND MAGAZINES. LOOK FOR PAGES WITH COOL COLORS, PATTERNS, AND INTERESTING TEXT. THINK ABOUT WHAT MATH SHAPES AND NUMBERS YOU WANT TO INCLUDE IN YOUR COLLAGE. YOU CAN USE CIRCLES, TRIANGLES, SQUARES, AND NUMBERS. GROUP YOUR CUTOUTS BY QUANTITY, SHAPE, OR CREATE YOUR OWN MATHEMATICAL EQUATION USING WHAT YOU FIND. BE CREATIVE, YOUR CUTOUTS ARE WHAT YOU MAKE THEM!
