

PLAY DOUGH

HOMEMADE AND EDIBLE

INGREDIENTS

- 1 cup flour
- 1/4 cup salt
- 2 Tablespoons cream of tartar
- 1 packet unsweetened Koolaid
- 1 cup water
- 1 Tablespoon vegetable oil

DIRECTIONS

1. Combine flour, salt, cream of tartar, koolaid, and water together in a small sauce pan.
2. Place on stove at medium heat and stir in vegetable oil. Keep stirring for 3-5 minutes until mixture forms into a ball. Pay special attention to keeping it scraped off the bottom of the pan so it doesn't burn. The mixture will darken in color.
3. Remove from heat and knead for a minute or two.
4. Store in an air tight container or ziplock bag.

****Note:** Pictures show recipe doubled. With the ingredients above, you should only get **one** ball.
