

# VALENTINE'S DAY MOTOR ACTIVITY

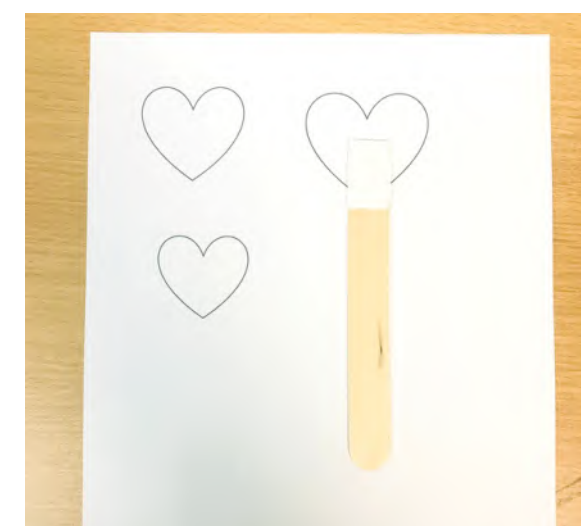

## Materials:

- Peel & stick craft sticks
- 6 pieces of felt
- Scissors and a pen
- 6 cups
- Heart shaped stencil (optional)

### Step 1

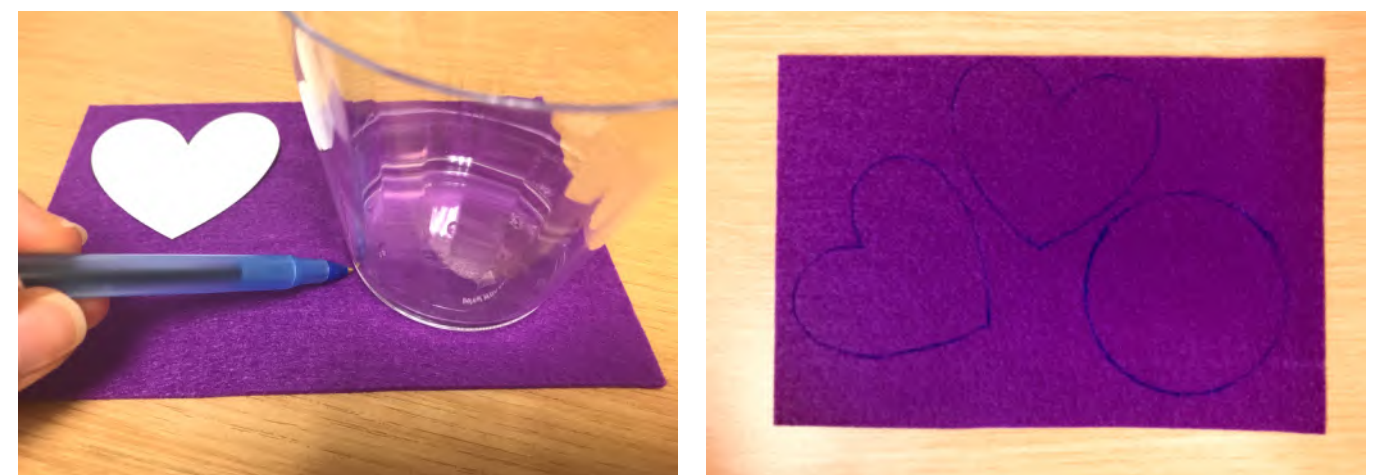

Print out a heart shape at the size you'd like to use (or just freehand it). Cut out.

### Step 2

Trace 1 circle on each piece of felt using the bottom of your cup.

Use the rest of your felt to draw heart shapes. Trace as many as you want to put on craft sticks (at least 1 for each cup, 6 total).

### Step 3

Cut out all your shapes. Place 1 circle at the bottom of each cup. Place 1 heart at the end of a craft stick, peeling off the adhesive tape first so it will stick.

### Step 4

Set all your heart-sticks next to the cups. Instruct children to pick up 1 stick at a time and place it in the cup with the corresponding color.
