**Farewell—Travel Safe— See You Next Year**

**Ozark Folk Center State Park 1032 Park Ave. Mountain View, AR 72560**

**Stained Glass Holiday Star Ornament**

*Taught by Dona Sawyer*

Make this holiday star ornament using Tiffany-style stained glass methods. You will be working with hot soldering irons and solder, and chemicals, so no open-toed shoes, please. Some manual dexterity is required.

Maximum number of students is 6 per class.

### **Make a Tree of Life Pendant**

*Taught by Linda Widmer*

This year we will be making a tree of life pendant in your choice of color.

You will need some hand strength and manual dexterity for this class. If you normally wear glasses or need them for close work, please bring them!

Maximum class size is 8

### **Build Your Own Dish Garden**

*Taught by Phyllis Williams*

Learn how to build and plant your own indoor dish garden. Perfect for a gift to the gardener in your life, or as a place to focus and day dream through the winter.

Dishes, decorations, and plants provided, but if you have your own that you want to use, you can bring them.

Maximum class size is 8

### **Dip your own Wax Globe Tea Light Holder**

*Taught by RC Schroeder*

Using a water balloon, you'll create your own wax globe in your choice of colors. These globes are great for holding tea lights, or flowers, or other treats.

Maximum class size is 8

### **Tie a Silker and Cake Tester Broom**

*Taught by Shawn Hoefler*

Using broom corn and twine, you'll tie a useful little broom for sweeping counters or silks off of corn. You'll use the remainder to tie your own cake tester. To test a cake for doneness, just break off a straw and poke it in the middle of the cake.

Maximum 6 students

### Painting with Panache

*Taught by Jim Tindall*

Even if you've never painted anything, you'll be able to paint this picture in your own style. Painting on a 16" X 20" canvas in acrylics. All materials furnished. Students follow step-by-step instructions to create their own painting.

Maximum 12 students.

### Not Your Grandma's Sauerkraut

#### Fermented Vegetables

*Taught by Troy Odom*

Learn a healthy and delicious recipe for making sauerkraut using cabbage and salt. You will leave with a jar of kraut prepared to ferment and the ability to make your own easily and economically at home.

Maximum enrollment 4

## **Fun With Yo-yo's!**

*Taught by Nancy Snyder*

Learn how to make a yo-yo on a plastic template, perfect first time, every time. We will make a spool-size thread-and-needlecase that can slip easily into a purse. See examples of different practical uses for the yo-yo in modern crafts. Fabric provided, but feel free to bring your own. Free patterns!

Maximum 7

## **Make a Christmas Gnome**

*Taught by Alice Woods*

Wrap this cute little yarn gnome in your choice of colors. Yarn provided.

Maximum 12 students

### **Kumihimo Braid Key Chain**

*Taught by Debbie Roe*

This Japanese style braid allows you to make cord that can be used as is for bracelets and key chains, or for embellishment on other projects.

6 students Maximum

### **Learn the Fine Art of Calligraphy**

*Taught by Shawn Hoefer*

Learn how to get started with modern calligraphy.

In this class you'll learn basic strokes, how to practice, the best tools to use and finish a piece to take home.

Maximum 8

## Pamper Yourself

*Taught by Linda Odom*

Treat yourself to a spa day and learn how to make your own bath salt, relaxing sachet, and spritzer.

This workshop is held in the Apothecary Shop and you will be working with essential oils that have strong scents.

Maximum 4

## Basic Woodcarving Techniques

*Taught by Sandy Gonzales*

Use your favorite pocket knife, or one provided. Woodcarver Sandy Gonzales will teach the basic techniques of safe whittling. You'll learn to sharpen your knife, how to hold it to carve safely, and the best cuts to carve effectively.

4 students maximum

### **Beehive Paper Ornaments**

*Taught by Jamie Blakely*

Make these three-inch ornaments from flat pieces of paper. You'll have time to make several ornaments in class. This craft requires cutting and accurate gluing.

Maximum 6 students

### **Make a Leather Fly Swatter**

*Taught by Janice Clark*

Make your own leather fly swatter. Stamp your initials and then choose from several patterns to decorate your own unique piece.

All materials provided.

Maximum 5

### **Learn to bake your own bread**

*Taught by Ethan Frazier*

Make and bake your own loaf of delectable crispy crust bread made from an old family recipe.

Maximum 8

### **Jute Twine Christmas Tree**

*Taught by Doris Fountain*

Make this unique Ozark Christmas tree from jute twine.

Maximum 12 students

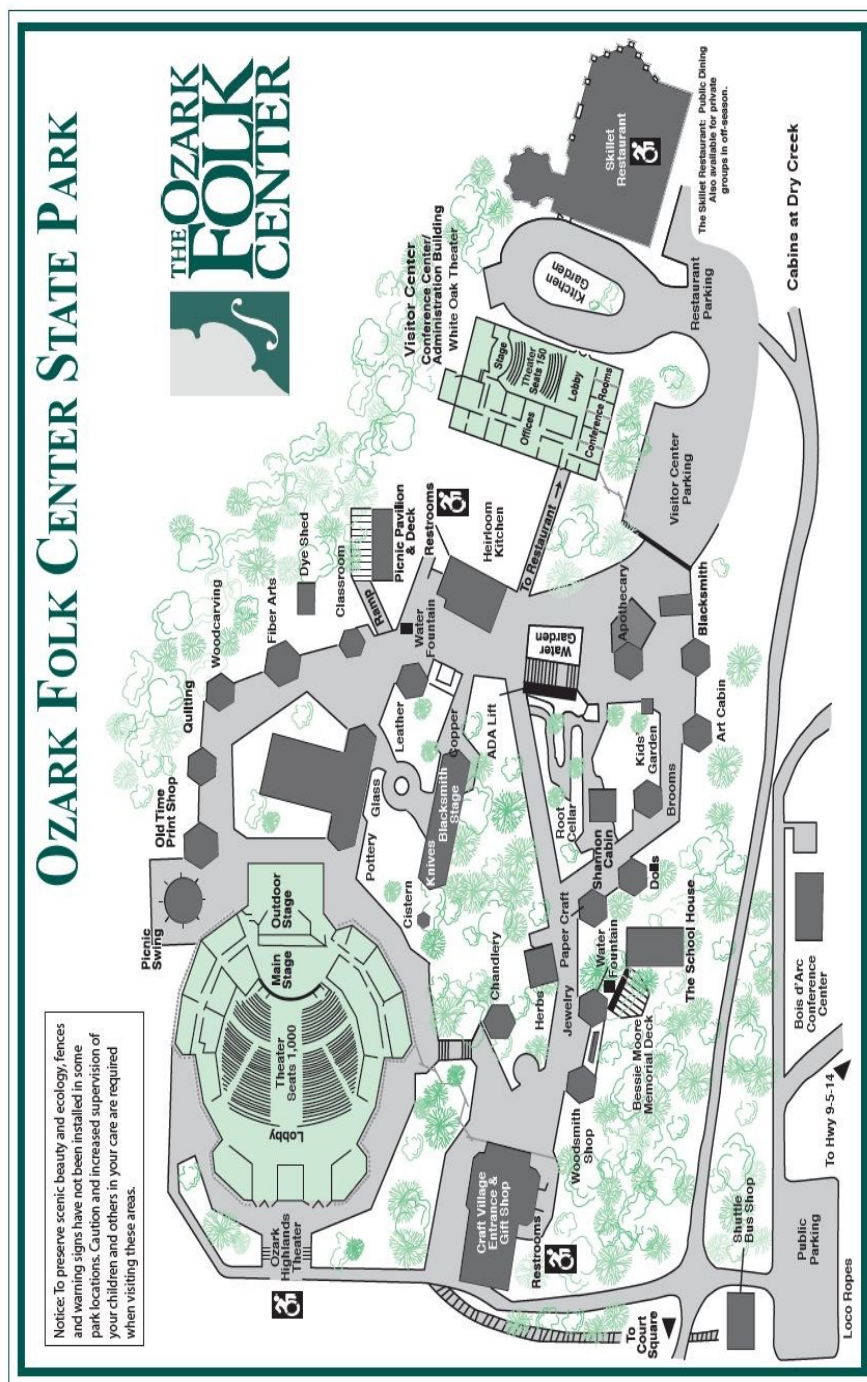

## Gardening Well in the Ozarks

*Taught by Tina Marie Wilcox*

From feeding your soil to planning and defending your garden, come learn how to build a sustainable vegetable and herb garden while remaining comfortable in your skin with life-long gardener Tina Marie Wilcox. Bring sharp pruners, favorite weeding tool, insect repellent and weather appropriate gardening clothing.

Maximum 6 students

Notice: To preserve scenic beauty and ecology, fences and warning signs have not been installed in some park locations. Caution and increased supervision of your children and others in your care are required when visiting these areas.
