Make a Pumpkin Pendant

Taught by Linda Widmer

This year we will be making a fun seasonal Pumpkin Pendant using a polished stone wrapped in copper wire.

You will need some hand strength and manual dexterity for this class. If you normally wear glasses or need them for close work, please bring them!

Maximum class size is 8

Stained Glass Holiday Church Ornament

Taught by Dona Sawyer

Make this holiday church ornament using Tiffany-style stained glass methods. You will be working with hot soldering irons and solder, and chemicals, so no open-toed shoes, please. Some manual dexterity is required.

Maximum number of students is 6 per class.

Build Your Own Terrarium

Taught by Phyllis Williams

Learn how to build and plant your own indoor glass garden in a jar. Perfect for a gift to the gardener in your life, or as a place to focus and day dream through the winter.

Jars and plants provided, but if you have your own that you want to use, you can bring them.

Maximum class size is 8

Dip your own Wax Globe Tea Light Holder

Taught by Traci Glover

Using a water balloon, you'll create your own wax globe in your choice of colors. These globes are great for holding tea lights, or flowers, or other treats.

Maximum class size is 8

Felted Ornaments

Taught by Lubna Khatoon

Start with a wool felt ball and using barbed needles, you'll add colors, decorations, and sculptural highlights. These make great ornaments, dryer balls, or kids toys.

Maximum 8 students

Painting with Panache

Taught by Jim Tindall

Even if you've never painted anything, you'll be able to paint this picture in your own style. Painting on a 16" X 20" canvas in acrylics. All materials furnished. Students follow step-by-step instructions to create their own painting.

Maximum 12 students.

Not Your Grandma's Sauerkraut

Fermented Vegetables

Taught by Troy Odom

Learn a healthy and delicious recipe for making sauerkraut using cabbage and salt. You will leave with a jar of kraut prepared to ferment and the ability to make your own easily and economically at home.

Minimum enrollment 2

Maximum enrollment 4

Patchwork Posies

Taught by Nancy Snyder

Make a 9-patch "mug rug" with a pocket on the back to enclose a little inspirational verse or word (business card size). It measures 5" x 5", lined with light batting and is reversible. You can make it as a "Tooth Fairy Keeper" to help make a lost tooth easy to find under a pillow.

Supplies provided: die-cut color-coordinated squares of assorted fabrics, thread, needles, pre-cut batting, decorative card with choice of inspirational word and verse, pattern & directions.

Skills required: While two or three sewing machines will be available for use, that is just a time/labor-saving option. We will be hand-piecing the 9-patch and doing a simple decorative running stitch around the perimeter of our "posies."

Maximum 7

Blacksmithing Decorative Wall Hook

Taught by Sam Hibbs

Students will make a twisted wall hook that can be attached to a wall or other surface with a pair of screws.

Requirements:

No synthetic-fiber clothing, not even blends. Long sleeves and pants, no shorts. Nothing you mind getting dirty or possibly burnt. Long hair should be tied back or otherwise restrained. Closed-toe shoes or boots with non-meltable tops. I will provide safety glasses.

Maximum 2 students

Kumihimo Braid Bracelet

Taught by Alice Woods

This Japanese style braid allows you to make cord that can be used as is for bracelets and key chains, or for embellishment on other projects.
