

# Stretching Dollars – Your Vehicle

## Maintenance and Repairs

- Follow the recommendations in the owner’s manual.

---

---

---

- Watch out for potential problems.

---

---

---

- Find a reliable mechanic.

---

---

---

## Automobile Insurance

- Know insurance terms and what coverage you need.

---

---

---

- Check for discounts.

---

---

---

- Comparison shop for the best rates and review every few years.

---

---

---

## Gas Mileage

- Driving.

---

---

---

---

---

---

- Maintenance.

---

---

---

- Seasonal.

---

---

---

- Be skeptical.

---

---

---

### **Car Buying**

- Choose a fuel-efficient, reliable, safe vehicle with good resale value.

---

---

---

- Shop around and negotiate for the best price.

---

---

---

- Save the full purchase price or look for the lowest cost financing.

---

---

---
