

4-H:

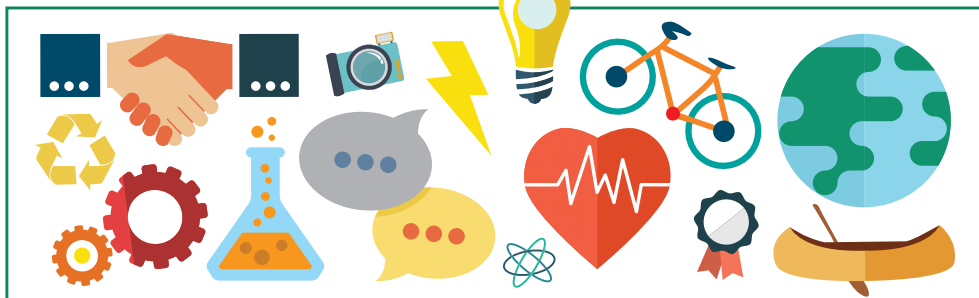

SCIENCE & TECHNOLOGY
HEALTHY LIVING
CIVIC ENGAGEMENT
COMMUNITY SERVICE

DIVISION OF AGRICULTURE
RESEARCH & EXTENSION
University of Arkansas System

WHAT IS 4-H?

4-H is a fun and educational organization where kids “learn by doing.” It’s a great opportunity for youth to acquire knowledge and skills they can use the rest of their lives. It takes the form of community clubs, project groups, in-school and afterschool programs. 4-H is part of the University of Arkansas Division of Agriculture and reaches more than 140,000 youth.

WHO CAN JOIN?

Anyone ages 5-19 can join 4-H. 4-H happens wherever kids live — in large cities, small towns, on farms, and even on military bases. The faces of 4-H kids are as diverse as the activities in which they take part.

COME JOIN THE FUN.

Some of our exciting programs include:

- **Science & Technology**
- **Camping**
- **Community Service**
- **Health, Food & Nutrition**
- **Agriculture**
- **And So Much More**
- **Civic Engagement**
- **Leadership**

4-H clubs are made up of adult volunteers working with a group of young people who want to learn new things, meet new people and have a good time along the way!

BEST OF ALL, PARTICIPATION IS FREE!

4-H is available in each of our 75 counties! Come be a part of something meaningful. To learn more, contact your local county extension office or visit us online at:
