Reporting Contacts for UAEX Website

The UAEX Website is an important tool for our programs and the contacts should be reported to show the reach achieved through our website efforts.

Below are the basic steps for reporting contacts from the website, followed by how you can find the numbers to report.

How to report website contacts:

-Log into AIMS and go to “My Reporting”

-Go to “Report” for the objective area that your website edits for that month relate to most closely (e.g. IPM for PAT training announcements, Family Economics for Arkansas Saves information).

Program	<input type="button" value="Indicators"/> <input type="button" value="Impact"/>	<input type="button" value="Event"/>
Reports	<input type="button" value="Report"/> <input type="button" value="View Reports"/>	

-You will see a new section “Social Media & Website,” click “More...” to expand and report.

-Along the “website” row, you will enter in your indirect contacts for the website.

-Indirect Contacts include your total “unique visitors.”

-“Total number of time the method is used” refers to the number of pages that have been edited that month.

Finding Your Contact Numbers for the UAEX Website

- To receive your statistics for web site traffic, log in to [Monsido](#). Each county and department should have a contact person who has a Monsido account. Log into Monsido, select your group, and choose the “Statistics” option at the top of the page [using these instructions](#). If you need to identify who your Monsido contact person is, contact [Amy Cole](#) or [Becky Bridges](#) in IT.

-You can find your indirect contact on the first page of your report under “Total Visitors” (circled in red).

If you have any questions about reporting your website contacts, you can call or email Diane Mashburn at 501-671-2351 or dmashburn@uaex.edu.
