8. Repeat Steps 3-7 for each of the other planned program areas and goals to be included in your IPOW.

NOTE: County Extension Agents should be planning for 50% of their time, which is generally 113 days. Others need to check with their supervisor on what percentage of their time should be included in their IPOW. State level employees generally plan approximately 75% of their Extension time, which is generally 170 days for a full time Extension appointment.

9. When your IPOW is complete, click “Send Email” at the top of the myPlan page. This will send an email to your supervisor requesting review of your IPOW.

-If revisions are requested by your supervisor, an email will be sent back to you.

-If your IPOW is approved, it will be available automatically when AIMS FY2022 opens in October.

A screenshot of the myPlan page. At the top left, it says "myPlan: Diane Mashburn (orgn CC013072)". At the top right, there is a yellow box labeled "FY2022". Below this, a message reads: "If this Plan of Work (for the year) is complete & ready for supervisor review, select **Send Email** IPOW can be changed UNTIL it is submitted to supervisor." The "Send Email" button is highlighted in yellow.

NOTE: These steps can be followed at any point during the program year for new employees. AIMS does not “close” the IPOW process after October 5th, but moves the ability to create an IPOW for the current year to the “My Plan” link.

If you have questions or problems as you create your IPOW, please contact Diane Mashburn at dmashburn@uaex.edu or 501-671-2351.
